

Privacy and Legal Statements

Please review Christian Environmental Services' Privacy and Legal Statements. By using our web site, you consent to the collection and use of the information in accordance with the following description.

The Information We Collect and How We Use It

It is our desire to provide a web page that is useful and attractive to our customers and visitors. The information that is collected from the site, among other things, is used to better serve our customers. We periodically may request that you fill out a survey about the site's design. We may also evaluate your use of the site in order to aggregate statistical information, facilitate system administration, influence our development work and improve the content of the site to make it more useful to you. We may also use the information collected to notify site visitors and customers of changes to the site, to notify site visitors of new services made available via the site and for any other legitimate and lawful business purpose of Christian Environmental Services, its subsidiaries or affiliates.

We do not sell, trade, or rent or otherwise disclose you or your company's information to others. In the event of legal action, we may be required to disclose customer information as requested by a court having jurisdiction. We will make a reasonable effort to notify you of such order prior to the disclosure of information about you.

Security

We place the utmost importance on protecting the information transmitted to and from the site and will take security precautions to protect all such information. Security exists within our enterprise systems to protect all of the data we collect against unauthorized access. Christian will take measures as outlined above to secure and protect all customer-specific information.

Disclaimer

We reserve the right to make and apply changes to the site at any time without prior notification. The Christianenvironmentalservices.com site may experience brief outage periods. Efforts have been made to make this site accurate, however, we do not warrant for any purpose whatsoever, nor may the reviewer or any third party rely to their detriment on, the accuracy of the information obtained from this web site.
